### 2010 is the year of the White or Metal Tiger.

The Tiger is associated with good fortune, power, and royalty. It is viewed with both fear and respect; hence, their protection and wisdom is sought after. Many people believe the tiger, and not the lion, as the true king of beasts.

**Compatible with:** Horse, Dragon, Dog and Pig/Boar

**Incompatible with:** Rabbit, Monkey, Snake, and Ox

You are a tiger if you were born in one of these years:  
1902, 1914, 1926, 1938, 1950, 1962, 1974, 1986, 1998, 2010
